

Since 1989, we have been a leader in sugar distribution.

GRANULATED SUGAR - BROWN SUGAR - ICING SUGAR

We are committed to the highest standards from our refiners. That is to say premium quality sugar, processed according to our specifications in terms of granulation, color, solubility and nutritional values. All these steps allow us to offer you high quality products.

Our products arrive in bulk from Colombia, Mexico and Canada and redistributed across the country.

- Granulated sugar is available in 20kg, 1000kg
- Brown sugar and icing sugar are available in 20kg

Do not hesitate to contact us for any further information.
