nature's best sea salt

FLOWER OF SALT

An essential ingredient

Description

- Flower of salt is a 100% natural sea salt without additives. The crystals of this renowned gourmet sea salt are the first salt crystals that form on the surface of the water in the salt ponds. The salt crystals harvested by hand according to an ancient artisanal method. Flower of salt is indispensable in every kitchen, thanks to its subtle taste, its soft texture and its high content of calcium and magnesium. You only need to use a few crystals to obtain an intense taste.
